睿巴特沙发

打破传统 大胆设计

沙发外形神似荷兰花边领，夸张又不失高贵，古典气息十足。流畅的线条设计和大气的配色使睿巴特看上去像是一件艺术品，远高于普通沙发的扶手板和靠背则可以起到很好的遮挡作用，满足私密洽谈等办公需求。

Rebirth Sofa

Unconventional and Innovative

Shaped like a Dutch Lace Collar, the Sofa is luxurious, elegant and classic. The smooth lines and beautiful color matching make Rebirth Sofa more of an artwork than a piece of furniture. The armrest and the backrest, which are much higher than those of regular sofas, can play the role of screens and meet the need of private negotiations.
